

HISPANIC CENTER

of western michigan

We are seeking an energetic, dedicated, Promotora de Salud/Community Health Worker that has a close understanding of the community we serve. The Promotora de Salud/Community Health Worker will provide direct support to our Community Navigation Coordinator with recruiting program participants, facilitating health-related workshops, and community outreach. This is a great opportunity for individuals that enjoy connecting with the community.

The Promotora de Salud/Community Health Worker responsibilities may include:

- Support with coordination of program events/workshops, participant recruitment, leading program activities, and data collection (surveys).
- Helping people understand their health condition(s) and develop strategies to improve their health and wellbeing.
- Establish positive, supportive relationships with program participants and follow up with them as needed.
- Facilitate discussions/activities.
- Motivate clients to be active and engage participants in their health.
- Attend community events for community outreach and deliver health information using culturally appropriate terms and concepts.
- Attend required professional development opportunities.
- Assist food distribution initiatives.
- Other duties as assigned.

Required qualifications:

- Bi-lingual in Spanish required.
- Excellent communication and customer service skills.
- Positive attitude and interest in assisting our community members/program participants.
- Valid Drivers License
- Ability to pass a background check.
- Ability to work both independently and with other staff members.

Job Type: Part-time
